

The Learning Centre offers its learners resources, information, assessment and referrals to literacy and essential skills programs. All programs offered at The Learning Centre are confidential, provide personal support for your learning needs, are delivered in a small classroom setting, and allow learners to progress at their own speed.

Literacy & Basic Skills Upgrading:

This program offers English and Math upgrading in a small classroom setting where you can improve your skills to further your education or seek employment. This program provides for its learners the self confidence and tools necessary to move onto their next step. The LBS program assists learners to;

- Improve English skills in communication, reading, writing, listening and speaking
- Upgrade Math and numeracy skills in basic mathematical operations and arithmetic for everyday life and/or employment

Academic & Career Entrance (A.C.E.):

This exciting program—in partnership with Niagara College—can be your ticket to educational or career success. Learn at your own pace and discover the possibilities that are right for you!

- Deemed a Grade 12 equivalency for college or apprenticeship entry.
- Offer skills upgrading appropriate for the workplace.
- Employment Opportunities: this program will prepare you for a career you've always wanted!
- Skilled Trades: Targeted academic preparation to enter the apprenticeship training program that you've dreamed of!
- College Entry: Eligibility to enter post-secondary studies at a community college for further education in a program of your choice

Next Step:

Next step offers individuals a unique opportunity to obtain the skills and confidence needed to pursue their employment, independence and/or training and educational goals. This six-week practical life skills course will improve your self-esteem, communication and employment skills.

- Evaluate and improve your self esteem
- Boost your employability skills
- Develop new ways to set reachable goals
- Overcome barriers and move towards success

Health Care Studies:

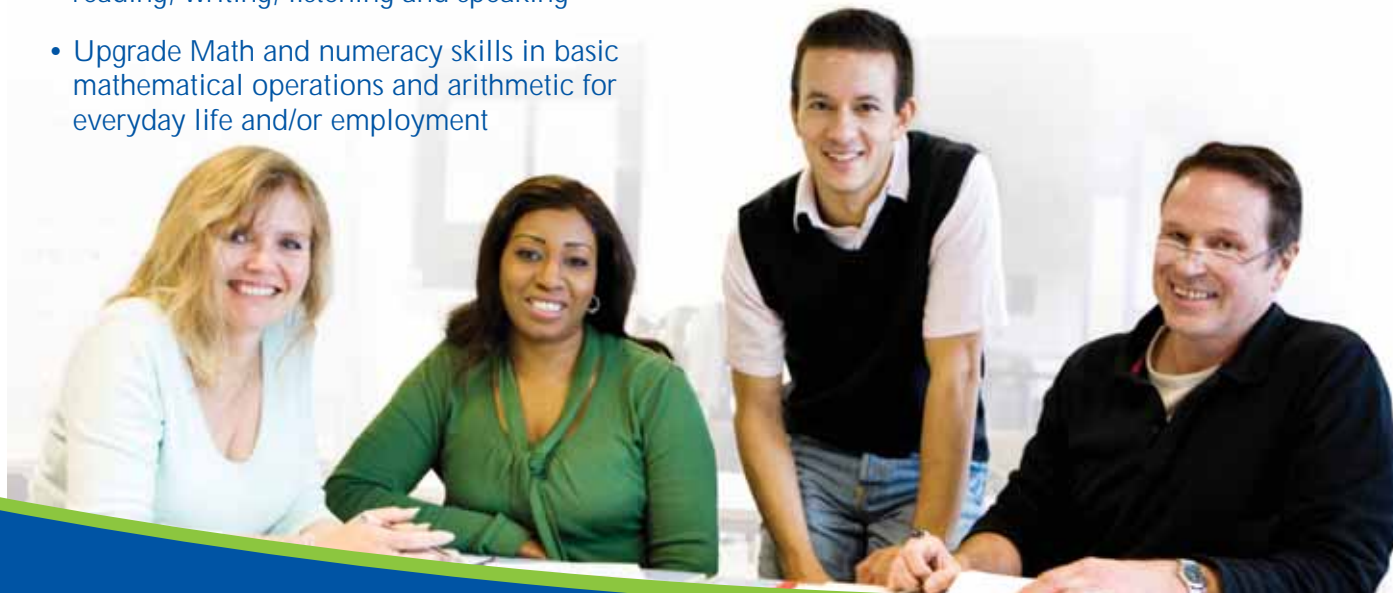

A six week preparation course offered to individuals furthering their post secondary educational goals in the Health Care field.

Online and Correspondence Credit Courses:

Registration and referral services offered to learners who are interested in obtaining high school credits, by independent study, through distant learning. These credit courses are available online and by correspondence.

One to One Tutoring:

One to one upgrading support in reading, writing and math skills to help learners reach their educational or employment related goals.

Learn 2 Earn (Basic Computer and Software Programs):

Learn 2 Earn provides instruction for beginners and training to increase your basic knowledge of computer based programs. These programs are designed to update your employability skills and to keep you in the loop with today's technology based world.

- Basic Word Processing, Data Spreadsheets and Presentation Programs
- Computerized Clerical, Health Care preparation, retail programs and much more
- A flexible schedule in a comfortable work-like environment

Our staff assist individuals by offering a friendly, supportive atmosphere for learning and encourage learners to take charge of their future by developing the skills needed in the rapidly changing world. Our staff have training and experience in Adult Education, Group Facilitation, and Career Development.
